News / Union Budget / Budget 2024: Centre to boost EV ecosystem, new bio-...

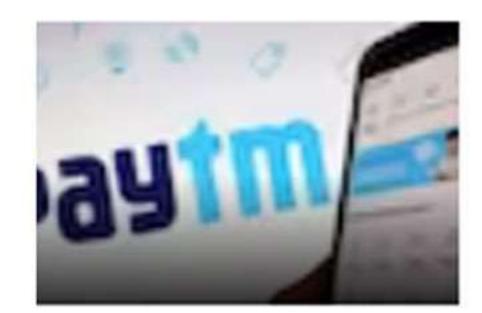

## **ADVERTISEMENT**

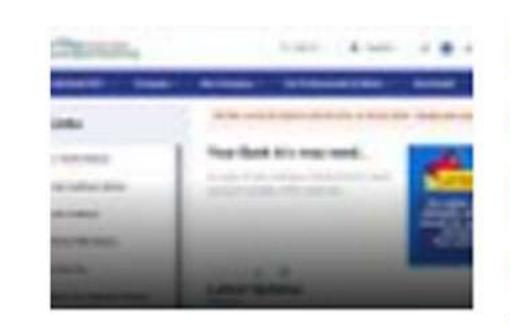

Shalya Gupta, CEO, PHF Leasing Limited said, "It was good to see the Government continuing its thrust on the EV sector. The focus on supporting manufacturing of EV vehicles in India and charging infrastructure will create the right environment for the growth of the EV sector. With a robust ecosystem in place, the Financing solutions become easier to implement with risk of default decreasing."

Manas Arora, Co-founder & CFO, Alt Mobility commented, "In a visionary move towards sustainable transportation, Alt Mobility applauds the Finance Minister's commitment to bolster the e-vehicle ecosystem. By offering innovative solutions, Alt Mobility stands ready to contribute to the government's vision, supporting the expansion of e-buses and charging infrastructure. Our
